Bauanleitung Klappbuch

Alle Seiten ausdrucken, laminieren, an der langen gestrichelten Linie durchschneiden und stapeln. Die obere Hälfte dieser Seite bildet das Deckblatt und liegt ganz oben auf dem Stapel, die untere Hälfte bildet die Rückseite des Buches und liegt ganz unten. Nun alle Seiten des Stapels am oberen Rand für die Bindung lochen.

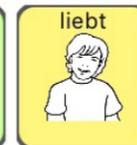

Alle Seiten mit Ausnahme der ersten und letzten an den gestrichelten Linien zwischen den Klappstreifen durchschneiden und das Buch binden.
