

Anleitung/Letzte Seite

Mit diesem Klappbuch kann man immer neue Sätze zusammenstellen und mit dem Talker vorlesen. So werden Satzstruktur und Wortschatz geübt. Darüber hinaus sind die gestalteten Sätze ein Anlass, um über eigene, ähnliche Erlebnisse zu sprechen.

Um sich das Klappbuch zu erstellen, können alle oder einzelne Seiten (auf etwas festeres Papier) ausgedruckt werden.

An den gestrichelten Linien können die einzelnen Satzteile/Wörter ausgeschnitten werden. Am einfachsten ist es, wenn man sie mittels einer Ringbindung heftet. Aber auch andere Methoden sind natürlich möglich (Tackern, Nähen, Lochen, ...).

Viel Spaß beim Basteln und Nutzen des Klappbuches!
